Lounge chair
Art. no.: 2-431

Description:

This chair's design is based on the folded paper fortune tellers that children make. This has resulted in an iconic and truly striking lounge chair. The spacious chair has inviting upholstery cut into geometric shapes, and sits lightly on four distinctive legs. This creates a lounge chair that has a light and springy look despite its generous padding, and that can be used as an easy chair both in the home and in public spaces.
