True Love Sofa

The design of the True Love Sofa is organic and sculptural. The compact size of the sofa makes it versatile and very suitable for public spaces with limited space. The True Love Sofa is attractive from the front and from the back, which makes it a perfect choice as a freestanding piece of furniture. The design and upholstery technique opens up for at world of combinations in terms of textiles and colors – with or without contrast stitching - as the inside and outside can be upholstered in different textiles / leather types.

Designed by busk+hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy.

busk+hertzog is one the most award winning design studios in Denmark with more than 60 international design awards - including The Red Dot Best of the Best Award and The Danish Design Industry's finest distinction: The Industry's Furniture Award.

The designs from busk+hertzog are characterized by sculptural and clean lines - any decoration usually serves as a function.
